The Scioto Valley Elementary Academy is a community school established under Chapter 3314.041 of the Ohio Revised Code. The school is a public school and students enrolled in and attending the school are required to take proficiency tests and other examinations prescribed by law. In addition, there may be other requirements for students at the school that are prescribed by law. Students who have been excused from the compulsory attendance law for the purpose of home education as defined by the Administrative Code shall no longer be excused for that purpose upon their enrollment in a community school. For more information about this matter contact the school administration or the Ohio Department of Education.

Regular attendance is a most important factor in the establishment of a good scholastic record. Work missed through absence from school is difficult to make up. There is no substitute for the actual participation in daily classroom discussion and work. We ask that parents refrain from signing their children out of school unless it is an extenuating circumstance. Parents/Guardians will be required to sign their child out of school before the child will be permitted to leave. Please assist us in keeping the school day sacred. Every student is expected to be in school every day.
