Sciotoville Elementary Academy

Sciotoville Elementary Academy has successfully completed its fourth year in operation.

Sciotoville Elementary Academy was established in 2008 through the efforts of dedicated community members, parents, and educators to provide a "kids-first" approach to education and a family atmosphere to engage cooperatively with parents and community members to improve learning. The school currently serves grades K-4. SEA provides high quality educational opportunities aligned with Ohio's Academic Content Standards. Utilizing state of the art technology, standards-based report cards, and quality assessments, SEA is able to provide a personalized educational experience.

Sciotoville Elementary Academy operates under the guidance of an elected governing board and a dedicated administrative, teaching, and support staff that is committed to providing a well-rounded quality education for all students.

The governing board, staff, students, and community believe SEA is building a foundation for educational excellence and carrying on the Tartan traditions of our community.

The Thomas P. Fordham Foundation Sponsorship Assurance

The Thomas P. Fordham Foundation served as the Sponsor of Sciotoville Elementary Academy during the 2012-2013 school year. Through comprehensive on-site reviews and regular periodic monitoring of the school's academic and fiscal performance, the Fordham Foundation can assure all interested parties that Sciotoville Elementary Academy is in compliance with all applicable state and federal laws. Indicators of the sound academic and fiscal operations of the school can be found of the preceding page of this annual report. Any questions of comments regarding the sponsorship of this community school should be forwarded Theda Sampson, Program Administrator, Thomas P. Fordham Foundation, 2600 Far Hills Ave., Suite 216, Dayton, OH 45419.

Vision

The Sciotoville School Community will empower all of our students to successfully meet the challenges of their future.

Mission Statement

Together we will learn as much as we can every day to be responsible, respectful, and successful.

Federal Funding

The Federal Government has had a strong influence on education with the implementation of the No Child Left Behind Act (NCLB) and the Race to the Top Initiative. Last year, S.E.A. participated in several federally funded categorical programs. S.E.A. received about \$177,000 to provide services to students and employed 3 people in federal programs with these funds paying a portion of their salaries. Many additional supplemental educational services and materials were also provided to S.E.A.'s students. These services consisted of additional instructional help in reading and math, instructional aide services, intervention teachers, supplies, equipment, reduction of class size, and professional development.
